Dear KMHA Members,

I would like to take a moment to introduce myself. My name is Amy Combs and I am the Southeastern Regional Representative for the Kentucky Museum Heritage Alliance (KMHA). I am KMHA's current Membership Chair. Our membership committee is taking member ideas and comments from across the state to create a mutually beneficial program for Kentucky Museums, Historic Houses & Sites, historical societies, parks, their staff, and volunteers. KMHA is already known for assisting organizations in Kentucky with professional development and a wide range of networking opportunities, including the Annual Meeting (June 6-8, 2012 in Bowling Green!). This is a great opportunity to boost our networks and share our ideas with each other.

I write to you today to ask for your participation in a new KMHA Membership Benefit that allows KMHA members to visit other participating KMHA sites free of charge or at a reduced rate. With your help we can develop this program so that all our members can experience the incredible places and personal connections that make the KMHA such an incredible organization. With your generosity, this program can be a success.

If you are willing to assist KMHA we ask that you contact us as soon as possible so that we can advertise on your behalf via our website, facebook, and other social media outlets. A few of our current participating sites include: Riverside, the Farnsley-Moreman Landing, Behringer-Crawford Museum, Kentucky Historical Society, Hopewell Museum, Headley-Whitney Museum, The Lincoln Museum, Mary Todd Lincoln Museum, Bobby Davis Museum, McCreary County Museum, and the Historical Rail Park and Train Museum.

We have posted a form for your use at www.kymuseums.org. Please fill it out and return via email or fax to me. If you have any questions about your membership, membership benefits, to offer a discount, or provide additional membership ideas, contact me at the information below.

Best Regards,

Amy
