Affinity Groups: The KMHA Board encourages all its members to help us in creating affinity relationships to enhance the activities of the organization. These relationships can be organized according to profession (i.e. curators, registrars, educators, administrators) or subject matter (i.e. art museums, genealogy, local history, military history). Please indicate what type of affinity relationships you'd be interested in participating in, including any not listed:

Would you be interested in being a point of contact for an affinity group? Y or N
